

**Chapter 7:**  
**Is This...a First for Wendy!!**

I wanted to join Fairy Tail so badly, that I came all the way here...

I fell in love with Wendy-sensei the minute I saw what she did during the Grand Magic Games!

Please forgive me!

And Wendy's not used to being called a sensei, anyway. It'll get her flustered!

Yes, well, we don't do the whole sensei and student thing here.

But before one of that, you aren't a member here yet!

And then when I saw the real Wendy sensei in person, I couldn't help myself...
